NEW 2007

RESIDENTIAL
LIGHTING
FIXTURES

Dear Customers,

We are glad to present our new collection of lighting fixtures for 2007. It includes both our classical fixtures in new colors, featuring innovated design details, and lighting fixtures following the current youthful design. Our new products are made of classical quality materials, such as mouth-blown glass and genuine Bohemian crystal, using traditional, mainly hand techniques, thus ensuring quality, elegance and timelessness.

The catalog is valid till the end of 2007.
